

# PUSD FACILITIES PROJECT LIST

## Facilities Master Plan

This project list is part of PUSD's Facilities Master Plan, which was developed through an extensive process that involved community members, parents, school and district staff.

## Facts about PUSD School Facilities:

- Most campuses are 50 – 75 years old and need repair
- One local bond in 40 years to repair or upgrade schools
- Infrastructure does not meet modern educational needs

## Measure TT

On November 4, Pasadena Unified School District voters will be asked whether to pass a \$350 million bond to repair and upgrade our aging and deteriorating schools.

## Highlights of Measure TT

- Make All School Campuses Safe, Secure and Accessible
- Provide Equal Access to High-Quality Learning and Recreational Facilities
- Enhance Student and Teacher Access to Technology
- Use Green Technology For Healthy and Efficient Buildings
- Ensure Strict Independent Oversight and Accountability

## Fiscal Impact

- Measure TT funds would make PUSD eligible for another \$115 million from other sources
- Costs Approximately \$44.63 Per \$100,000 of **assessed** – not market – property value.
- The average homeowner would pay \$9.54 per month or 31 cents per day.
