This project list is part of PUSD's Facilities Master Plan, which was developed through an extensive process that involved community members, parents, school and district staff.

## **Facts about PUSD School**

### **Facilities:**

- One local bond in 40 years to repair or upgrade schools
- Infrastructure does not meet modern educational needs

## **Measure TT**

On November 4, Pasadena Unified School District voters will be asked whether to pass a \$350 million bond to repair and upgrade our aging and deteriorating schools.
