## Facilities Master Plan

This project list is part of PUSD's Facilities Master Plan, which was developed through an extensive process that involved community members, parents, school and district staff.

- One local bond in 40 years to repair or upgrade schools
- Infrastructure does not meet modern educational needs

## Measure TT

On November 4, Pasadena Unified School District voters will be asked whether to pass a \$350 million bond to repair and upgrade our aging and deteriorating schools.

- Costs Approximately \$44.63 Per \$100,000 of **assessed** – not market – property value.
- The average homeowner would pay \$9.54 per month or 31 cents per day.
