

PUSD FACILITIES PROJECT LIST

Facilities Master Plan

This project list is part of PUSD's Facilities Master Plan, which was developed through an extensive process that involved community members, parents, school and district staff.

Facts about PUSD School Facilities:

- Most campuses are 50 – 75 years old and need repair
- One local bond in 40 years to repair or upgrade schools
- Infrastructure does not meet modern educational needs

Measure TT

On November 4, Pasadena Unified School District voters will be asked whether to pass a \$350 million bond to repair and upgrade our aging and deteriorating schools.

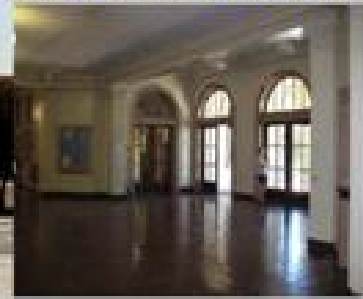

Highlights of Measure TT

- Make All School Campuses Safe, Secure and Accessible
- Provide Equal Access to High-Quality Learning and Recreational Facilities
- Enhance Student and Teacher Access to Technology
- Use Green Technology For Healthy and Efficient Buildings
- Ensure Strict Independent Oversight and Accountability

Fiscal Impact

- Measure TT funds would make PUSD eligible for another \$115 million from other sources
- Costs Approximately \$44.63 Per \$100,000 of **assessed** – not market – property value.
- The average homeowner would pay \$9.54 per month or 31 cents per day.

Marshall Fundamental Secondary School 990 N Allen Avenue, Pasadena CA 91104

Proposed Project List:

- ▶ Modernize cafeteria, kitchen, lunch shelter, auditorium and gym/locker rooms to current electrical, mechanical, lighting, technological and interior finish standards
- ▶ Separate domestic, fire and irrigation meters
- ▶ Replace old electric panel boards and lighting in the basement of building 'A' with adequate branch breaker with increased capacity; water heaters in the classroom building, gym and cafeteria. Replace old wiring system throughout campus.
- ▶ Provide accessible paths and ramps to the main classroom building and playfields from street
- ▶ The roof system should be replaced on all buildings as soon as possible
- ▶ Repair or replace bell, phone, and clock systems

Transparency & Accountability

- Independent citizens oversight commission mandated by law to monitor allocation of bond funds
- Annual report to the public
- Public website to track progress on all projects
- Long-term Facilities Master Plan, updated quarterly and annually
