

# PUSD FACILITIES PROJECT LIST

## Facilities Master Plan

This project list is part of PUSD's Facilities Master Plan, which was developed through an extensive process that involved community members, parents, school and district staff.

## Facts about PUSD School Facilities:

- Most campuses are 50 – 75 years old and need repair
- One local bond in 40 years to repair or upgrade schools
- Infrastructure does not meet modern educational needs

## Measure TT

On November 4, Pasadena Unified School District voters will be asked whether to pass a \$350 million bond to repair and upgrade our aging and deteriorating schools.

## Highlights of Measure TT

- Make All School Campuses Safe, Secure and Accessible
- Provide Equal Access to High-Quality Learning and Recreational Facilities
- Enhance Student and Teacher Access to Technology
- Use Green Technology For Healthy and Efficient Buildings
- Ensure Strict Independent Oversight and Accountability

## Fiscal Impact

- Measure TT funds would make PUSD eligible for another \$115 million from other sources
- Costs Approximately \$44.63 Per \$100,000 of **assessed** – not market – property value.
- The average homeowner would pay \$9.54 per month or 31 cents per day.

## Pasadena High School

2925 East Sierra Madre Boulevard, Pasadena, CA 91107

## Proposed Project List:

- ▶ Modernize gym to include central HVAC, new locker room features; new bleachers; remove asbestos from gym coach offices' floors and provide internet connections to same offices
- ▶ Upgrade restrooms throughout campus.
- ▶ Provide a security alarm system.
- ▶ Provide new shade structures at main quad and where needed
- ▶ Provide outdoor security lighting, perhaps with motion detectors
- ▶ Provide a multi-purpose artificial field and track
- ▶ Provide proper drainage at softball and soccer fields and repair and/or replace security fencing.
- ▶ ADA issues: provide landing at classrooms with raised floors. Provide access path to athletic fields; Provide accessible restrooms at the gym/locker room. Provide exterior drinking fountains and accessible features at pool and pool deck
- ▶ Upgrade sanitary sewers at buildings 'A', 'E', 'J', 'S', 'T' and 'W'
- ▶ Replace old electric panel boards at buildings 'A', 'B', 'T' and 'W' with adequate branch breakers with increased capacity
- ▶ Separate domestic/fire/irrigation meters
- ▶ Create teachers' lounge
- ▶ Replace interior lighting with high-efficiency lighting in building 'B', 'R', 'S' and 'T'. Replace lighting system in the little theater

## Ensure Transparency & Accountability

- Independent citizens oversight commission mandated by law to monitor allocation of bond funds
- Annual report to the public
- Public website to track progress on all projects
